DETAILED ACTION

Allowable Subject Matter

Claims 45-48, 50-54, 57, 94, 97-103 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 45-46, 48, 57, 94 and 97-101, there is no teaching or suggestion in the art of record disclosing an electronic structure with a conductive barrier layer positioned between a conductive shunt layer and a solder layer in accordance with claim 45 in combination with the other limitations of claim 45. Therefore, independent claim 45 is deemed allowable along with its dependent claims 46, 48, 57, 94 and 97-101.

Regarding claims 47, 50-54 and 102-203, there is no teaching or suggestion in the art of record disclosing an electronic structure with a conductive barrier layer positioned between a conductive shunt layer and a solder layer in accordance with claim 47 in combination with the other limitations of claim 47. Therefore, independent claim 47 is deemed allowable along with its dependent claims 50-54 and 102-103.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
